***“Thank you all for your kind donations! Your contribution gives us the ability to temporarily house, counsel, and feed these people we serve. We will guide and support them, while establishing personal goals, find employment, and obtain safe and permanent stable housing. When you give to Roark Sullivan Lifeway Center, you are partnering with us to carry out the responsibility of helping our neighbors. We are not a government program, we rely solely on donations made from individuals, businesses, and religious organizations in our community. This makes your gift even more precious to us. Thank you again for your support.” ~***

Taken from the letter from Jessica McGuire, Chief Executive Officer RSL WC  
Brandae Mullins, Financial Officer &  
Natalie Casdorff, Veteran Outreach Coordinator/PEER Education

*Thank you all and God bless you for your kindness and generosity! Brandae was so overwhelmed that she cried when she saw the first delivery, I made to them. These fantastic people do the hard work. They truly take care ‘of these least brothers’ of His. Thank you again for helping them do the work! ~Karen Hart*
